

January 5, 2015

To the patients of Dr. Greenaway:

As many of you know, I am temporarily leaving my practice in order to attend to some familial matters on the west coast. Your care is very important to me, and I am happy to announce that Dr. Vivienne Lemos will be taking over as covering physician for January and February. Dr. Lemos has worked with the Healthsource Medical team on many occasions in the past, and we are all pleased to have her on board.

I will keep the team, and all of you, informed of my expected return date. I am hopeful that I will be able to extend the time of coverage to include March and April, which would mean that I will rejoin the Healthsource team in the spring.

Please let the team or Dr. Lemos know if you have any questions or concerns about this arrangement.

I look forward to seeing you all again later in 2015.

Sincerely,

Dr. Kate Greenaway
